

CENTRAL PARK 1/20/2015
CHARLES CLOUGH

© Charles Clough, 2015

I delivered some paintings to 72nd Street and Central Park West. I planned to walk through the Park to go to the Met and see *Madame Cézanne*. Entered onto Strawberry Field. Never been there. Hi John & Yoko—love you! The photo moment popped and I shot, a lot.

Cross your eyes, superimpose the images, refocus and see 3D. This is about painting because I am a painter—you see how I see?
